## Nicking Considerations

Forty Niner and his sons have sired speedy and precocious foals that have done quite well as 2-year-olds and then many have been able to stretch out and win at longer distances as older horses. The Forty Niner stallions have produced extremely well when crossed with mares having Northern Dancer in their pedigrees. Other excellent crosses have included: to the Bold Ruler line especially through Bold Bidder and Seattle Slew, to the Damascus line, to the Hail to Reason line via Roberto and Stop the Music, and to mares with Never Bend or Buckpasser in their pedigrees. Forty Niner sons have also achieved success when linebred back to Raise A Native.
